Benoit Blanc loves living, he loves women, he loves daring. He is a famous businessman who suffers from stomach-ache. Fabiolini, a would-be actor, is a policeman and he too suffers from the same sickness. The two men face suffering in opposite ways: Benoit Blanc is optimistic while Fabiolini, always unsure of himself, is persuaded he is seriously ill. The two men meet by chance while doing a gastroscopy and become friends. After having known their real different conditions, they will change and...
