Fame hungry Roxie Hart dreams of a life on the Vaudeville stage, and spends her nights jazzing it up in the bright lights of Chicago, continually hoping that she'll find her lucky break, and be shot into 1920's stardom, so able to flee her boring husband Amos. In awe of seductive club singer Velma Kelly (who is subsequently arrested for the murder of her husband and sister - after discovering their affair), Roxie meets Fred Cassely a man who convinces her he can 'make her showbiz career take...
