

## Kim und die Wölfe [DVD, 0333]

Date: 2005-12-15 17:43:33

The young Norwegian girl Kim almost get killed after falling from a down from a hillside. She finds shelter and stumbles upon the territory of a wolf with and her puppy. She barricades herself, but as time passes she finds the wolf less and less frightening. When she finds out three shepards are out to kill the wolf, she decides to get the across the border to Sweden, were they don't hunt for wolves.
