

Lantana [DVD, 0407]

Date: 2006-10-16 19:28:07

The lives of several people are intertwined in this darkly deceptive movie. This Australian drama starts out with the death of an unidentified woman. However, few answers were uncovered during the initial investigation by the police. As the movie progresses, the audience meets the rest of the cast whom all seems to be hiding something. In the end, they all come together for a finale that is reminded of [Magnolia](#) and [Short Cuts](#).
