

Herr der Diebe [DVD, 0410]

Date: 2006-10-16 19:39:28

Based on the novel by Cornelia Funke, this charming tale follows six-year-old Bo (Jasper Harris) and fifteen-year-old Prosper (Aaron Johnson), two recently orphaned brothers who escape their impending separation by running off to Venice. There they have fantastical adventures with the mysterious masked figure known as the Thief Lord and his band of child followers, who show the boys all the magic the city has to offer.
