

Kate & Leopold [DVD+R, 0496]

Date: 2008-01-22 21:42:26

Kate and her actor brother live in N.Y. in the 21st Century. Her ex-boy friend, Stuart, lives above her apartment and finds this space near the Brooklyn Bridge where there is a gap in time. He goes back to the eighteen hundreds and takes pictures of the place. Leopold, a man living in the 1870's, was puzzled by Stuart's tiny camera and decides to follow him and they both ended up in this century. Leopold is clueless about his new surroundings. He gets help and insights from Charlie who thinks...
