

Babel [DVD, 0501]

Date: 2008-02-24 11:43:07

4 interlocking stories all connected by a single gun all converge at the end and reveal a complex and tragic story of the lives of humanity around the world and how we truly aren't all that different. In Morocco, a troubled married couple are on vacation trying to work out their differences. Meanwhile, a Moroccan herder buys a rifle for his sons so they can keep the jackals away from his herd. A girl in Japan dealing with rejection, the death of her mother, the emotional distance of her father,...
