Date: 2009-01-03 11:07:00

With their father away fighting in the Civil War, Joe, Meg, Beth and Amy grow up with their mother in somewhat reduced circumstances. They are a close family who inevitably have their squabbles and tragedies. But the bond holds even when, later, men friends start to become a part of the household. *Written by [Jeremy Perkins \[jwp@aber.ac.uk\]](mailto:jwp@aber.ac.uk)*
