

## **The Young Victoria [DVD, 0716]**

**Date: 2011-01-11 18:00:25**

Dominated by her possessive mother and her bullying consort, Conroy, since childhood, teen-aged Victoria refuses to allow them the power of acting as her regent in the last days of her uncle, William IV's rule. Her German cousin Albert is encouraged to court her for solely political motives but, following her accession at age eighteen, finds he is falling for her and is dismayed at her reliance on trusty premier Melbourne. Victoria is impressed by Albert's philanthropy which is akin to her own...
